## Objective:

Dynamic and passionate History Teacher dedicated to inspiring students' curiosity about the past and cultivating critical thinking skills. Committed to creating a supportive and engaging learning environment where students can explore diverse historical perspectives.

## Education:

- Master of Arts in History Education
  - \*University of Michigan, Ann Arbor\*
  - Graduated: May 2020
- Bachelor of Arts in History
  - \*University of California, Berkeley\*
  - Graduated: May 2016

## Skills:

- Proficient in Microsoft Office Suite and Google Workspace
- Experienced in integrating technology tools such as interactive timelines and historical mapping software into lessons
- Strong knowledge of historical content, research methods, and historiography
- Skilled in providing constructive feedback and assessing student understanding

## Languages:

- English (Native proficiency)
- German (Fluent)

## **Professional Experience:**

\*History Teacher - Lexington High School, Lexington, USA\*

- Developed and implemented dynamic and interactive lesson plans for courses in World History, U.S. History, and European History
- Utilized a variety of teaching strategies, including inquiry-based learning, primary source analysis, and historical simulations, to engage students and foster critical thinking skills
- Provided individualized support to students through targeted interventions and enrichment opportunities
- Collaborated with colleagues to align curriculum, develop common assessments, and integrate interdisciplinary connections
- Organized and facilitated extracurricular activities such as history club and academic competitions

## **Hobbies:**

- Traveling: Enjoys exploring historical sites and museums around the world
- Hiking: Finds relaxation and inspiration in nature, often exploring local trails
- Cooking: Enjoys experimenting with recipes inspired by different historical periods and cultures
- Photography: Captures moments of historical significance and natural beauty

## **Soft Skills:**

- Empathy: Understands the diverse backgrounds and experiences of students and creates a supportive and inclusive classroom environment
- Adaptability: Flexibly adjusts teaching methods and approaches to meet the needs of individual learners
- Collaboration: Works collaboratively with colleagues to share resources and best practices for enhancing student learning outcomes
- Creativity: Develops innovative and engaging lesson plans that ignite students' passion for history and promote deep learning
