Objective:

Passionate and dedicated English Teacher with a commitment to fostering a love for literature and language in students. Skilled in creating dynamic and engaging lesson plans that cater to diverse learning styles, aiming to cultivate critical thinking and communication skills in every student.

Education:

- Master of Arts in English Literature
 - *University of California, Berkeley*
 - Graduated: May 2020
- Bachelor of Arts in English Education
 - *Stanford University, Stanford, CA*
 - Graduated: May 2016

Skills:

- Proficient in Microsoft Office Suite and Google Workspace
- Experienced in utilizing educational technology tools such as Google Classroom and Edmodo
- Strong understanding of literature, grammar, and writing instruction
- Excellent communication and interpersonal skills, fostering positive relationships with students and colleagues
- Ability to differentiate instruction to meet the needs of diverse learners

- Skilled in providing constructive feedback to improve students' writing and critical thinking abilities

Languages:

- English (Native proficiency)
- Spanish (Conversational)

Professional Experience:

English Teacher - Riverside High School, Riverside, USA

- Developed and implemented engaging and rigorous lesson plans for literature, composition, and language arts courses
- Utilized a variety of instructional strategies, including Socratic seminars, literature circles, and creative writing activities, to enhance student engagement and understanding
- Provided individualized support to students through writing conferences and feedback on assignments
- Collaborated with colleagues to align curriculum and develop interdisciplinary projects
- Organized and facilitated extracurricular activities such as book clubs and writing workshops

Hobbies:

- Reading: Enjoys exploring a wide range of literary genres, from classics to contemporary fiction
- Hiking: Finds solace and inspiration in nature, often exploring local trails
- Photography: Captures moments of beauty and interest in everyday life
- Cooking: Enjoys experimenting with new recipes and cuisines

Soft Skills:

- Empathy: Understands the individual needs and challenges of students and fosters a supportive learning environment
- Adaptability: Flexibly adjusts teaching methods to accommodate diverse learning styles and abilities
- Collaboration: Works collaboratively with colleagues, parents, and administrators to support student success
- Creativity: Develops innovative and engaging lesson plans to inspire a love for learning
