  - \*University of California, Los Angeles (UCLA)\*
  - Graduated: May 2020
- Bachelor of Arts in History
  - \*University of Chicago\*
  - Graduated: May 2016

## Skills:

- Proficient in Microsoft Office Suite and Google Workspace
- Experienced in utilizing educational technology tools such as interactive timelines and virtual field trips
- Strong knowledge of historical content and research methods
- Excellent communication and interpersonal skills, fostering positive relationships with students and colleagues
- Ability to create differentiated instruction to meet the diverse needs of learners
- Skilled in assessment design and providing constructive feedback

## **Languages:**

- English (Native proficiency)
- Spanish (Conversational)

## **Professional Experience:**

\*History Teacher - Rivertown High School, Rivertown, USA\*

- Developed and implemented engaging and rigorous lesson plans for World History, U.S. History, and European History courses
- Utilized a variety of instructional strategies, including document-based analysis, role-playing simulations, and multimedia presentations, to facilitate student learning
- Provided individualized support to students through tutoring, academic interventions, and enrichment opportunities
- Collaborated with colleagues to align curriculum, develop common assessments, and analyze student data
- Organized and led extracurricular activities such as history club and National History Day projects

## **Hobbies:**

- Reading: Enjoys exploring historical texts, biographies, and novels set in different time periods
- Traveling: Finds inspiration in visiting historical sites and museums around the world
- Photography: Captures moments of historical significance and natural beauty
- Gardening: Enjoys cultivating plants and learning about the history of agriculture

## **Soft Skills:**

- Empathy: Understands the perspectives of diverse learners and creates a supportive and inclusive classroom environment
- Adaptability: Flexibly adjusts teaching methods and materials to meet the needs of individual students
- Collaboration: Works collaboratively with colleagues to share resources and best practices for enhancing student learning
- Creativity: Develops innovative and engaging lesson plans that encourage critical thinking and historical inquiry
